

MISSION

The principal goals of the East Asian-Australasian Flyway Shorebird Science (EAAFSS) meeting is to:

- to promote research that provides an evidence base for monitoring, management, conservation and education/outreach relevant to shorebirds in East Asia and Australasia.
- to provide a structured forum to facilitate, coordinate, and enhance the exchange of shorebird information among interested parties.
- to promote the conservation of shorebirds in the East Asia and Australasia.

BUILDING LASTING CONNECTIONS WITH SPONSORS

Due to the virtual nature of this meeting, we are not soliciting funds from sponsors at this time. However, we want to facilitate long-lasting connections with our shorebird science community so you can continue to showcase your valuable projects, programs, products and ideas at this and future events.

BECOME A SPONSOR!

WHY PARTNER WITH EAAFSS MEETING?

Full, three-day Virtual Meeting. We anticipate between 100 – 130 diverse professionals and students from throughout the East Asian-Australasian Flyway will attend the 1st EAAFSS Meeting. The meeting has over 80 scheduled presentations, lectures and networking opportunities, covering diverse topics on shorebird monitoring, research, and conservation.

Reach a diverse range of researchers and practitioners from East Asia and Australasia!

Date and Location. The virtual meeting will take place 3 - 5 **November** 2020. The virtual meeting will be hosted and run by the National Institute of Ecology in Seocheon-gun, Republic of Korea.

World Class Plenary speakers: Shorebird researchers and conservationists will include Dr. Thuenis Piersma, Dr. Zhijun Ma, Dr. Michelle Wille, Dr. Kate Goringe-Smith, and Dr. Evgeny Syroechkovskiy.
